

We are a successful, locally owned mechanical contracting company with 30 years of experience serving Colorado. At Frontier Mechanical we understand that true excellence can only be achieved through the hiring of exceptional people.

We are looking for someone to deliver excellent support to our Project Estimators by providing detailed take-offs and material lists for our Sheet Metal, Plumbing and Hydronic commercial projects. The ideal candidate will have strong knowledge of blue prints, material take-off and job costing experience. Product knowledge and strong communications skills are needed to ensure a smooth flow of product cost information and order processing. No bidding will be required.

Requirements:

- Minimum of 5 year's experience in Sheet Metal, Plumbing and Hydronic industry.
- Able to read blue prints and understand all plans/designs and specifications for projects.
- Perform material take-offs and develop project costs for Lead Estimator on the project utilizing Quote Express. Regular field visits will be required.
- Computer proficient

Benefits include. . .Dental plan, Vision plan, Health insurance, Life insurance, Short-term disability, 401(k), Incentive Programs, Paid Vacation/Holidays

Please reply with resume and salary requirements for immediate consideration.
