

HVAC Service Sales (Englewood)

Colorado is an amazing place to live and work, offering great schools, professional sports, world-renowned arts and entertainment, outdoor recreational activities and beautiful scenery. It continues to be a magnet for both companies and job seekers due to its job growth and business friendly environment.

Frontier Mechanical is a successful, locally owned mechanical contracting company that has been servicing Colorado for 35 years. We understand that true excellence can only be achieved through the hiring of exceptional people, which is why we seek most professional, skilled and ethical of employees to join our team.

We are seeking an experienced HVAC Service Sales star OR experienced HVAC Service Technician ready to move into sales to generate new business!

Responsibilities will include generating sales leads for commercial/industrial HVAC equipment/service, aggressive cold calling, networking within various organizations & associations. Strong closing abilities on service maintenance contracts and retrofit/special projects required. This position will favor those with a motivated, aggressive attitude as well as superb organizational skills with strong closing capabilities.

Requirements

*5+ years HVAC experience
